

FREE Discount Prescription Drug, Lab and Imaging Program

Your FREE Discount Prescription Drug Cards

Your FREE Discount Prescription Drug Cards are included below! Save on your prescription drugs at over 54,000 participating pharmacies nationwide with this FREE discount prescription drug card!

- ⊕ Savings of up to 20% on brand and 70% on generics
- ⊕ No age, income or enrollment restrictions
- ⊕ Discounts on All FDA Approved Prescription Drugs
- ⊕ Pharmacy and Drug Lookup Tools
- ⊕ All of your family and friends are eligible to participate

Instructions for Use

The FREE Discount Prescription Drug, Lab & Diagnostic Imaging Program is setup for your immediate use. Make sure you present your card when purchasing prescription drugs. Also, the program covers all family members so print out as many cards as needed. If you should lose your card, just return to the website and print out more cards. **Print these cards and start using them today!**

- 1- Print this page and cut-out the cards.
- 2- Present your card at one of over 54,000 participating pharmacies.
- 3- Buy yourself something nice with the savings.
- 4- Tell everyone you know about the Discount Prescription Drug Program.
- 5- Repeat Steps 2 through 4 each time you or your family members have a prescription filled!

Web Tools

To lookup participating pharmacies, search drug pricing and drug information and to access the discount medical lab tests and diagnostic imaging test, visit us online at:
